CCCS of Buffalo

Statement of Bankruptcy Services Pre-File Counseling and Pre-Discharge/Debtor Education ("Bankruptcy Counseling")

What Can Be expected from Consumer Credit Counseling Services of Buffalo, Inc (CCCS).

The agency will provide a confidential comprehensive session on counseling/debtor education that will review how bankruptcy will affect my personal life and effective strategies to manage my finances in the future. The session will be conducted by an NFCC (National Foundation for Credit Counseling) certified consumer credit counselor with a minimum of 6 months experience or counselor in training to be certified. A certified consumer credit counselor will review all action plans for all counselors training to be certified.

Participation in a Bankruptcy Counseling through CCCS of Buffalo has no impact on my credit report. At some point in the future, my information may be used for confidential research and/or a neutral third party (including the US Trustee) may contact me to request an evaluation of the Agency's services. We may compile data and aggregate information that you give us, but this information may not be disclosed in a manner that would personally identify you in any way. Your privacy is one of our highest concerns. To review our privacy policy, please visit us online at <http://www.consumercreditbuffalo.org/resources/privacy.php>. The US Trustee has reviewed the agency's credit counseling services and has neither reviewed nor approved any other services we provide.

The fee for Bankruptcy Counseling is \$50.00 per filer, there is no additional fee for the issuance of the counseling certificate. The fee must be paid by money order (payable to CCCS) credit or debit. Services are offered to clients without regard to client's ability to pay and services will not be withheld because of inability to pay. A fee waiver may be obtained in cases of specific hardship based upon income and must be verified by presentation of pay stubs and/or other proof of income. If needed, bilingual counseling services will be provided free of charge.

Most of the agency funding comes from voluntary contributions from creditors who participate in the Creditor Repayment Plan (CRP). Since creditors have a financial interest in getting paid, most are willing to make a contribution to help fund our Agency. CRP payments are held in a trust account with a FDIC approved bank for safekeeping. The CRP is the opportunity to negotiate an alternate payment schedule regarding unsecured debt and is a service available to you that CCCS of Buffalo provides.

The Agency does not pay or receive fees or other considerations for referrals. The Agency will provide the client a certificate in a format approved by the Executive Office for the U.S. Trustees (Department of Justice) promptly only upon the completion of the course. I understand that it can take up to five business days to receive a duplicate certificate, if originals given at Bankruptcy Counseling session are lost.

Pre-Discharge/Debtor Education sessions Notice

Classes are held once a month (NO CLASSES ARE AVAILABLE ON FEDERAL HOLIDAYS.) and last for a minimum of two hours. Classes are held at **40 Gardenville Parkway, Suite 300, West Seneca, NY 14224**. Additional In-Person/Telephone appointments are available.

Client Responsibilities and Bill of Rights

We pledge that our clients have the right:

- To provide the Agency with accurate information to the best of their knowledge regarding all of their creditors and budget information necessary to assess their financial situation
