

Are you struggling financially due to COVID-19? You are not alone!

Schedule a Free Financial Checkup

A Certified Financial Counselor will,
by telephone:

➤ Address financial concerns and advise what actions you can take now

➤ Provide community resources and relief options that may be available for consumers struggling with mortgage, student loan, auto loan and credit card payments (will pull your credit report as requested)

➤ Thoroughly review your income and expenses, and assist in creating an emergency budget
